

IBI BioChar World Congress 2019 Report

November 10th - 14th 2019
Korea University, Seoul, Korea

Trinh Kieu Trang
Research student at Kyushu Institute of Technology

General information

Time: November 10th-14th, 2019

Location: Hana Square, Korea University, Seoul, Korea

Topic: Towards Biochar Global Market Development

Organizers

한국환경생물학회
Korean Society of Environmental Biology

KBRC

SEMICON
DISPLAY GMRC

APRU
Sustainable Waste
Management

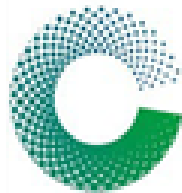

KOREA
UNIVERSITY

Co-organizers

THE HONG KONG
POLYTECHNIC UNIVERSITY
香港理工大學

UKBRC

Industrial partners & sponsorship

Circle Carbon

HuaJing®
华净

亚德尔 | YADEER

Conference Chairs

Prof. Yong Sik Ok
Korea University, Korea

Dr. Ondřej Mašek
UK Biochar research center
The University of
Edinburgh UK

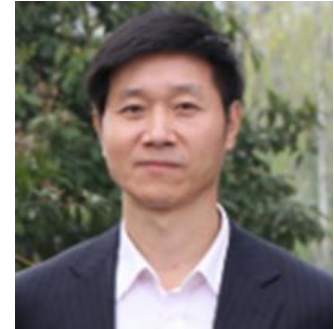

Prof. Daniel Tsang
Hong Kong Polytechnic
University, China

Prof. Johannes Lehmann
Cornell University, USA

Prof. Chen Wenfu
Shenyang Agriculture University, China

Prof. Hailong Wang
Foshan University, China

International Scientific Committee

1	Prof. Sumin Kim Yonsei University Korea	6	Prof. Kevin C.-W.Wu National Taiwan University Singapore
2	Prof. Jörg Rinklebe University of Wuppertal Germany	7	Prof. Amit Bhatnagar University of Eastern Finland, Finland
3	Prof. Nanthi Bolan The University of Newcastle Australia	8	Prof. Jingchun Tang Nankai Univeristy China
4	Prof. Shengsen WAng Yangzhou University China	9	Prof. Haiping Yang Huazhong University of science and Technology China
5	Prof. Mohammad Alwabel King Saud University Saudi Arabia		

International Organizing committee

1	Prof. Ki Bong Lee Korea University, Korea	3	Prof. Yong Seok Hong Korea University, Korea
2	Prof. Xiaonan Wang National University of Singapore, Singapore	4	Prof. Yi-Huseh Brad Chuang National Chiao Tung University Taiwan

Plenary Speakers

1	Prof. Johannes Lehmann Cornell University, USA	6	Prof. Jun Meng Shenyang Agricultural University China
2	Dr. Ondřej Mašek UK Biochar Research Center The University of Edinburgh UK	7	Mr. Thomas Miles International Biochar Initiative T.R. Miles Technical consultants Inc. USA
3	Prof. Hailong Wang Foshan University, China	8	Prof. Hyeong Seo (William) Son Kyungdong Worldwide CEO, Korea
4	Prof. Stephen Joseph University of NSW Australia	9	Prof. Ki-Hyun Kim Hanyang University, Korea
5	Prof. Nanthi Bolan The University of Newcastle Australia	10	Prof. Xinde Cao Shanghai Jiao Tong University China
6	Prof. Scott Chang University of Alberta Canada		

Keynote Speakers

1	Prof. Daniel C.W Tsang The Hong Kong Polytechnic University, China	6	Prof. Toshiki Tsubota Kyushu Institute of Technology, Japan
2	Prof. Hankwon Lim Ulsan National Institute of Science and Technology, Korea	7	Prof. Shicheng Zhang Fudan University, China
3	Prof. Amit Bhatnagar University of Eastern Finland, Finland	8	Dr. David Wayne International Biochar Initiative
4	Prof. Patryk Oleszczuk Maria Curie-Sklodowska University, Poland	9	Ms. Kathleen Draper Ithaka Institute for Carbon Intelligence, USA
5	Prof. Hocheol Song Sejong University, Korea		

Invited Speakers

1	Prof. Jianying Shang China Agriculture University and Key Laboratory of Arable Land Conservation, Ministry of Agriculture, china	6	Prof. Jin Hyeob Kwak Chonbuk National University, Korea
2	Prof. Haiping Yang Huazhong University of Science and Technology, China	7	Dr. Anjali Jayakumar Uk Biochar Research Center, school of Geosciences, University of Edinburgh, Uk
3	Prof. Su Shiung Lam Henan Agricultural University, China	8	Dr. Yunxian Piao Jilin University, China
4	Prof. Jingchun Tang Nankai University, China	9	Prof. Yongseok Hong Korea University Sejong Campus, Korea
5	Prof. Gayoung Yoo Kyung Hee University, Korea	10	Dr. Xiaoyun Xu Shanghai Jiao Tong University, China

Schedule

Self Tours (Technical tour of City tour)
Lunch: Keynote speakers & Board members

Arrival Seoul, Korea

Nov 11th

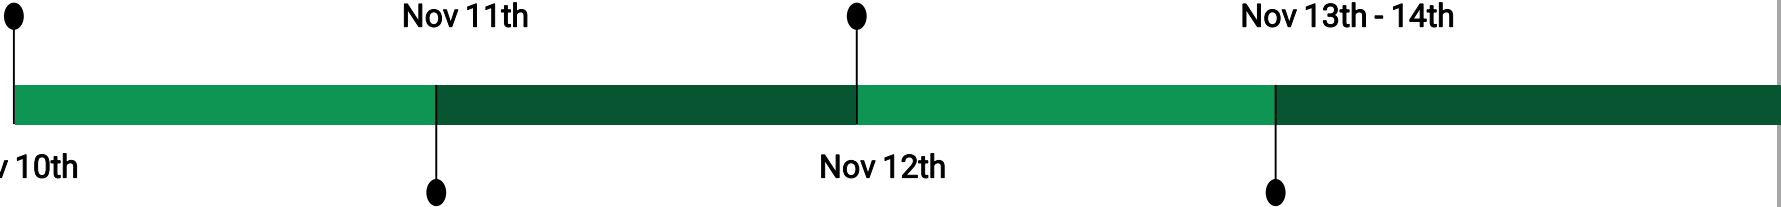

Nov 12th

Nov 13th - 14th

Nov 10th

IBI Board Member meeting & Dinner

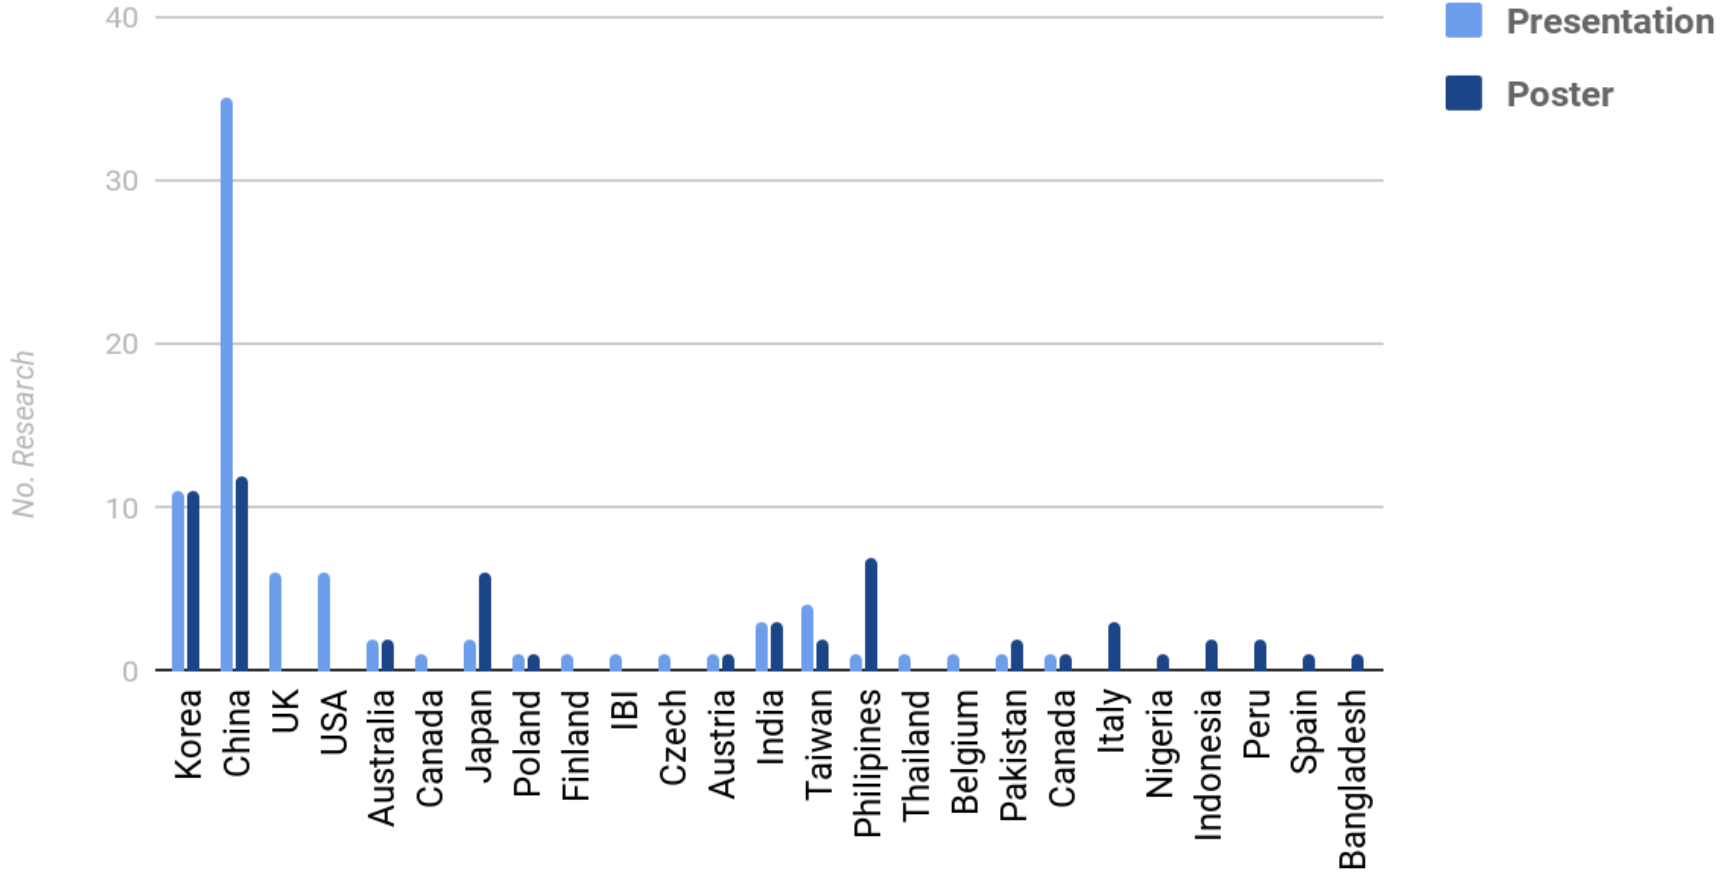

Main conference

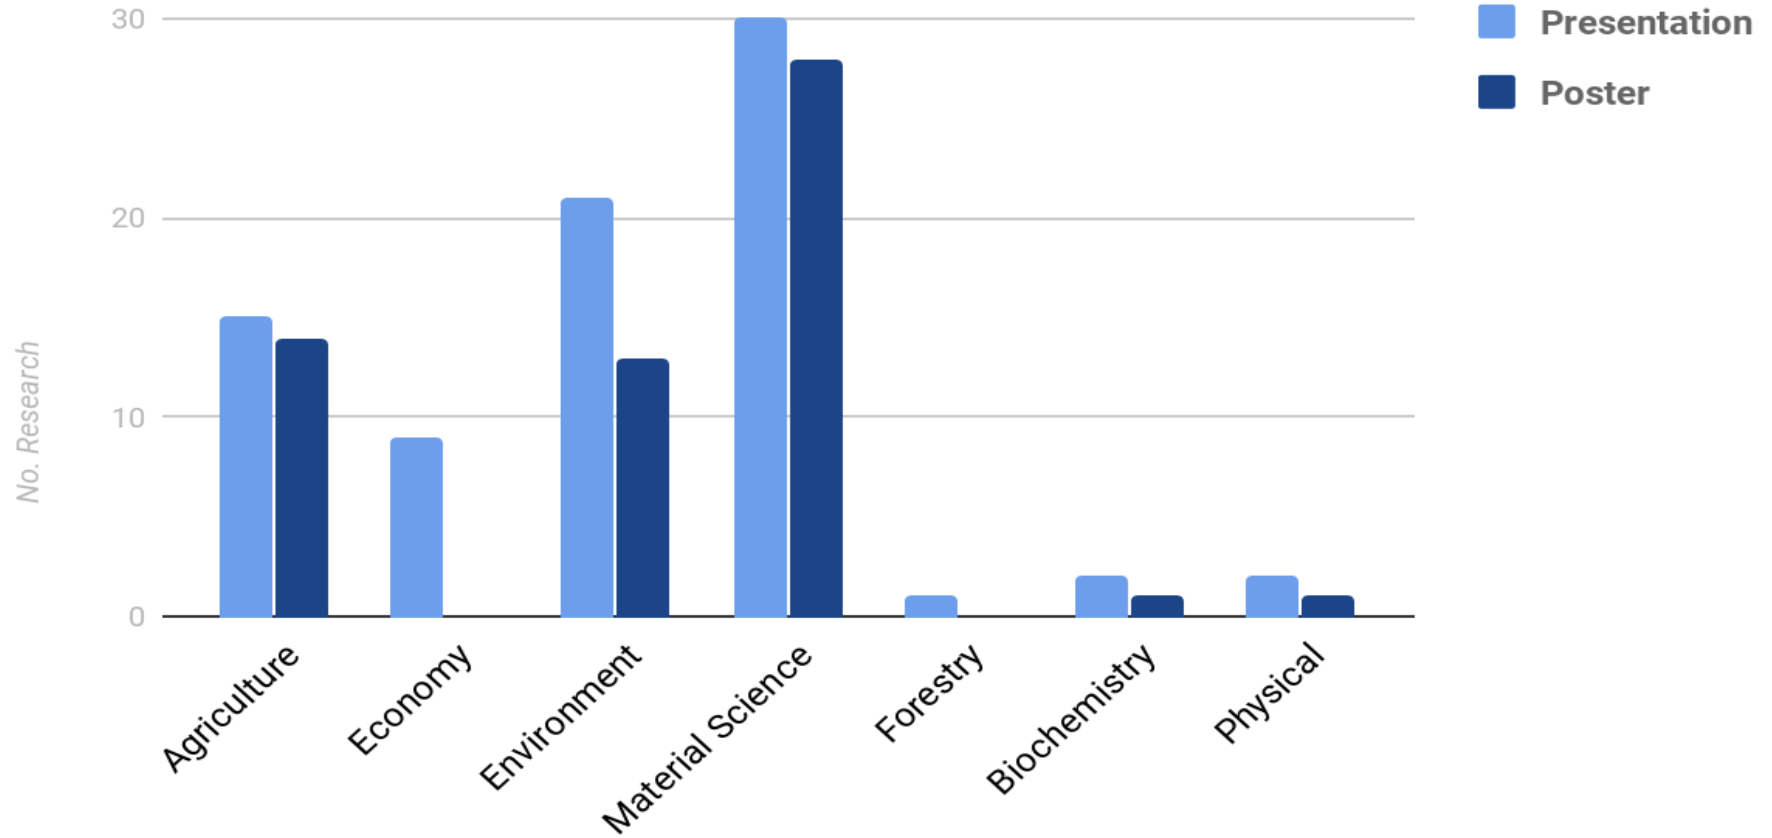

Schedule

	November 13th	November 14th
Morning	Opening 6 Plenary lectures & introduce the Biochar Journal	5 Plenary lectures
Noon	Lunch	Lunch
Afternoon	Session A: Emerging Application - 14 presentations (2 keynote speeches, 4 invited speeches)	Section C: Environmental Application - 16 presentations (4 keynote speeches, 4 invited speeches)
	Session B: Early career research presentations - 25 presentations	Section D: Agriculture, Climate change & sustainability - 14 presentations (3 keynote speeches, 2 invited speeches)
Evening	Dinner	Banquet
All day	30 Posters	28 Posters
